**Patrick O'Carroll summarizes a recent interview I did with Kevin Barrett.**

## by Patrick O'Carroll
**(henrymakow.com)**

**Starting at about 12 minutes, (https://old.bitchute.com/video/5eLzKI3h3gto/)** Kevin Barrett

interviews the great Henry Makow, who is a notable anti-Zionist Jew and an ardent critic of the Gnostic-Dualist (Luciferian) doomsday sect CHABAD, whose members "coincidentally" include Donald Trump, Vladamir Putin, Benjamin Netanyahu, Volodymyr ZioLensky, Javier Milei ...

Henry opens with the following statement regarding the "Illuminati" Jews, who are essentially CHABAD Satanists:

**"My take is that Judaism has been taken over by a cult called the CHABAD, who are Kabbalists and Satanists. And, unfortunately, most of the central-banksters belong to them. Even worse, the Kabbalists believe that the world was created FOR Jews and that the Goyim 'Livestock' must worship Jews as 'god' or else be exterminated. I know that this is ridiculous and that it is not the view of the vast majority of Jews, who are ignorant of this. But, nonetheless, it is what has happened. Judaism, and hence banking, and hence the whole world, has been subverted by this satanic cult called the CHABAD. That is my extreme finding that no one wants to acknowledge and I do not blame them, since it is pretty frightening. AND I HOPE I AM WRONG".**

The best evidence that Trump is a CHABAD-member is that he made a special effort to visit the grave of the main CHABAD Antichrist-like figure Menachem Mendel Schneerson on 7 Oct 2024, the anniversary of the attacks by the Antichrist State of Israel (which ZioFascist "defense" minister Yoav Gallant admitted the ZioFascists went along with as a false-flag to "justify" the launch of the Gaza Holocaust).

By now, about 1 million Arabic-Semites have been genocided in the Gaza Holocaust since 7 Oct 2023. That increased the overall death-toll of the Arabic-Semitic Holocaust to 12 million since 1948. What bigger signal of ZioFascist Trump being a CHABAD-

member could you wish for than that visit? That is about as clear, or as demonstrative, a signal as you are going to get.

**Note: Although many considered Schneerson to be the Antichrist, he himself eschewed this praise in 1994, when he made a highly revealing statement to his followers. He told them that the Antichrist will not arrive until the Jews have first done their "sacred" duty by genociding MOST Christians so as to "merit" the arrival of the Antichrist, who will ultimately reward them by granting them the Talmudic "new" world order and by granting every Jew 2800 Goyim "Livestock" ("animals") as his slaves in perpetuity. Among these slaves will be the Christian minority who survive the massive cull. The slaves are confirmed by Talmud Simeon Haddarsen, fol. 56-D, which states: "When the Jewish messiah [i.e. the Antichrist] comes, every Jew will have 2800 slaves".**

What Henry is saying is that US Christians, and especially "Christian" Zionists, simply do not want to even acknowledge that Trump idolizes the main CHABAD Antichrist-like figure Schneerson, who openly stated that all Christians must be genocided as the very PREREQUISITE for the Talmudic "new" world order to arrive.

**Henry adds: "With the help of their Gentile Freemason lackeys, the 'Illuminati' Jews and the CHABAD Satanists have been sabotaging Western civilization for 300-400 years now. And I have tons of evidence in my four 'Illuminati' books that they are on both sides of every war, because that is the way they undermine Western civilization and increase their power and money".**

Kevin is skeptical about Putin being a member of CHABAD, and cites the 2011 book "Everyday Saints and Other Stories" by

Russian author (now metropolitan) Archimandrite Tikhon, who is Putin's Orthodox spiritual advisor.

But Henry counters: "There are hundreds of pictures of Putin with CHABAD rabbi Berel Lazar, who also stated that, as a child, the CHABAD practically adopted Putin. In the 1990s. Schneerson stated the CHABAD planned to start a war between Russia and Ukraine as the only way to exterminate more of what he called 'obstinate' Slavs".

Kevin acknowledges the Big Picture: Freemasonry was taken over by Sabbatean-Frankism which was led first by Sabbatai Zevi in 1650-75 (who proclaimed himself the Antichrist or Jewish "messiah" in 1666) and later led by Jacob Frank in 1740-90 (who proclaimed himself the Antichrist AND the reincarnation of the previous Antichrist Sabbatai Zevi).

Around 1800, the Zionist House of Rothschild took over Sabbatean-Frankism, essentially making it what is today dubbed "the satanic Rothschild synagogue of Sabbatean-Frankism". This synagogue has a diabolical plan to destroy everything and then to rebuild and rule, and this is essentially the ideology of both

Sabbatean-Frankist Freemasonry and the Sabbatean-Frankist CHABAD.

**Henry adds: "That is EXACTLY the agenda that is running the world, except that they are on both sides of every conflict. One side is the Zionist side in London, NYC, Tel Aviv, and their supporters in Ukraine, Argentina etc. On the other side is the Bolshevik side [partly led by George Soros and his son Alex Soros] which is mainly Russia, China, and Iran. But Sabbatean-Frankist Freemasonry and the Sabbatean-Frankist CHABAD run both sides, with the stated goal of pitting these two sides against each other in WW3, in order to depopulate the world".**

Henry adds: "We must fight the enemy because the enemy cannot herd cats. And, if we merely connect the dots, the picture that emerges is horrifying. But, if we want to fight the enemy, we should at least know who he is".

Kevin mentions how lib-tard Jewish professor Sandra Lubarsky totally shocked him when she claimed (actually fully in line with the satanic Talmud): "Today, we Jews are all in agreement that 'god' means the Jewish people".

Henry concurs, adding that, in the eyes of Satanist Jews, the biggest "mistake" that the Goyim "Livestock" are making today is that they are not worshipping Organized Jewry as "god".

Henry adds an apt quote that British-Freemasonic-Agent "Voltaire" (François-Marie Arouet) gave already as early as 1771: "The Jews are born with a raging fanaticism in their hearts, just as the Germans are born with blond hair. I would not in the least be surprised if these people would some day become deadly to the human race".

Henry: "Assimilated Jews are really the 'opposite' of Zionist Jews [because they serve their nation rather than the Antichrist State of Israel]. But, Assimilated Jews are being set up to take the blame for a coming calamity. And Assimilated Jews have got to STAND UP, like I am doing. Apart from that, the CHABAD fully intends to kill Assimilated Jews who do not believe that Organized Jewry is 'god' ...".

Henry adds: "Always keep in mind that the Sabbatean-Frankist Jews, also called the Kabbalist Jews, also called the CHABAD Satanists, absolutely WORSHIP death and destruction, expecially whenever those happen to the Goyim 'Livestock'. And when I say Kabbalist Jews, I do not mean ordinary or Assimilated Jews, who are dupes like everyone else. Remember that the AGENDA OF THE CHABAD IS DESTRUCTION".

**RH** said (April 18, 2025):

A religion that has genocide as a precept certainly is not a religion of peace. The Aztecs were savages (and I believe cannibals) with human sacrifices. Its my understanding the Incas preyed on tribes outside of their own for their human sacrifices. The Aztecs and Incas are long gone. Is there a lesson in there somewhere? Are we just seeing a modern version of human sacrifices to appease an angry war god?
